e-mail from President Bob Jones

Dear Westside Water email list member:

Article VIII of the Westside Water Bylaws was amended at the Special Meeting held this past Monday, November 23rd. The final vote was 103 votes for the amendment, 13 votes against. I want to thank all members who participated in this process.

The result of this bylaw change is that the Board will begin a formal process to seek funding for the Anderson Well #2 project. We will keep you apprised of developments.

Best wishes for the holiday weekend.

Bob Jones

President, Westside Water Board
